Donor of School Building and Campus

CBR Prasad

Sri CBR Prasad, popularly known as CBR, was born on 10-05-1946 in Bhatlapenumarru village, Movva Mandal, NTR District, Andhra Pradesh.

Famous Weightlifter Sri Kamineni Eshwar Rao of the native village of CBR Prasad, who participated in Olympics was an inspiration to CBR. Thus, CBR developed a passion for sports at a very young age. Though he got several medals in sports while he was in school, he did not neglect his academics. He also had high goals to reach Olympics. He thought the most feasible route to realize his dream is to join the Airforce. Accordingly, he joined the Air Force and worked for about 9

years and left the Job, when he got a better opportunity of reaching Olympic level through Railways. However, this did not materialize due to various reasons. In these circumstances he gave up the ambition of sports and started small poultry-farm for livelihood. He did exceedingly well in poultry business. At one point in time, his poultry was considered the largest in the country. After attaining such status, he turned attention to service mainly after he got an exposure to activities of RSS. To concentrate on service activities, he stopped business and engaged in various service activities. After setting apart some assets to meet the family needs, he started donating very liberally to various organizations in both the Telugu states and continues to do so. After serving in Airforce for 9 years, he donated Rs 108 lakhs to Airforce besides donating 3 acres of Land in Samshabad, Hyderabad. Having come up in life he did not forget his native village. He donated to put up a new building in the government high school to inspire others to do their bit to their native place.

Thanks to his generosity and liberal support from other philanthropists, an international school has come up in Bandlaguda jagir, Hyderabad in the name of Sri Vidyaranya International School. He further donated 8 acres of land with 72000 Sft of constructed building to Vidyabharati, Andhra Pradesh to set up "**Netaji Sainik School**" at Ketanakonda, near Vijayawada. Besides these, he donated to various organizations such as **Sevabharati, Vanavasi Kalyan Parishad, Dharma Rakshana Samithi, ShivaShakti Foundation etc.,**

EARNEST APPEAL

Earnest appeal to corporate Houses and individuals to contribute under CSR Activities for Netaji Sainik School in Kethanakonda, Ibrahimpatnam Mandal, Vijayawada, NTR District.

Dear Esteemed Friend of the Nation,

India's enduring strength rests upon two timeless pillars — Shiksha (Education) and Seva (Service to the Nation). When education is infused with discipline, character, and patriotism, it produces citizens who do not merely succeed in life, but serve the nation with honour.

Vidya Bharati stands as one of India's largest and most respected non-profit educational movements, nurturing over 36 lakh students through 24 thousand schools across every state of India. For decades, Vidya Bharati has delivered an education model that is academically rigorous, technologically relevant, and deeply rooted in Indian values — harmoniously blending science with sanskar, modern skills with social responsibility.

Vidya Bharati institutions are known for shaping responsible citizens, ethical professionals, and committed nation builders, contributing silently yet powerfully to India's social, intellectual, and cultural capital.

A Historic Initiative: A New Sainik School at Vijayawada

Building upon this rich legacy, Vidya Bharati is now establishing a new Sainik School at Vijayawada, Andhra Pradesh, (NETAJI SAINIK SCHOOL - KETHANAKODA) under the progressive policy framework of the Government of India, which enables reputed non-government institutions to set up Sainik Schools of national standards.

Sainik Schools are among India's most effective feeder institutions for the Armed Forces, second only to direct government establishments. They instill discipline, leadership, physical excellence, and patriotic spirit from a young age, preparing students for entry into the National Defence -Academy (NDA) and other prestigious defence institutions. Importantly, this proposed Netaji Sainik School will offer high-quality residential education at fees lower than existing Government Sainik Schools, ensuring accessibility for deserving and meritorious students.

This institution is purely non-profit, run entirely on donations and public support, with no commercial motive.

Vision and Objectives

The Sainik School at Vijayawada aims to:

- Shape disciplined, value-driven, and patriotic young citizens
- Prepare students for NDA and service in the Armed Forces
- Deliver holistic education integrating academics, sports, leadership, and Indian culture
- Serve as a long-term institution of character-building and national service

The campus will include:

- Academic school buildings
- Residential hostels
- Sports and military training infrastructure
- Academic and science laboratories
- Utilities and essential infrastructure (including lifts)
- Goshala, Ashwasala reflecting India's civilisational values
- All facilities mandated under Sainik School norms

Immediate Funding Requirement

To establish the core infrastructure, we are currently raising ₹5–10 Crores, including:

- School & Hostel Buildings
- Academic & Science Laboratories
- Utilities & Infrastructure, including lifts, Play Areas

Your contribution directly builds the physical backbone of a national institution that will serve India for generations.

CSR & Statutory Benefits

This project:

- Qualifies as CSR expenditure
- Aligns with education, youth development, nation-building, and defence preparedness
- Carries statutory income-tax benefits as per prevailing laws

Your contribution is not merely a donation —

- It is an investment in India's future leadership,
- A tribute to our Armed Forces, and
a legacy of nation-building.

Please donate generously — not only to fulfill CSR obligations, but to leave behind a lasting legacy of service to the nation.

With warm regards and patriotic faith,

Jai Hind
